V-MARC
INDIA
Powering Progress Sustainably

V-Marc India stands as a beacon of trust and excellence in electrical manufacturing industries, a distinguished Public Limited company renowned for its commitment to innovation and quality.

Embarking on a trajectory of expansion, innovation, and advancement, V-Marc India launches a curated new product range of stylish Switches!

Our range of switches seamlessly integrates into any space, elevating the ambiance of your modern interior design. Bring home the crafted curation of design and technology, our elegant switches complement the décor of your residential and commercial spaces a like.

Our elegant switches ensure the art of living with functionality as we continue to advance toward the future with a commitment to high-quality products and a customer-centric approach.

SWITCHES

V-Marc next step in the evolution of design and adaptability. These sleek switches are engineered to be flame retardant and designed to create a modern outlook on homes.

- ◆ Flame Retardant high gloss Thermoplastic Material.
- ◆ Robust Design.
- ◆ Complies with BIS Standards.
- ◆ Heavy Metal Contacts for better conductivity.
- ◆ Easy Clean and Easy Installation.
