HEAT SAFE 90 HR FR-LSH LF GREEN WIRE

- 90°C Operating Temperature
- Superior Fire Protection
- High Resistance to Heat & Electrical Stress
- Durable & Long Service Life
- Excellent Thermal Stability
- Strong Abrasion & Mechanical Resistance
- Flame Retardant Properties
- Voltage Grade: Designed for a Voltage Rating upto 1100 Volts
- Conductor : Drawn From 99.97% Bright Electrolytic Grade Copper Conductor (Class 2 & 5) with More Than 100% Conductivity
- Advanced Insulation : PVC HR FR-LSH LF
- Specifications : IS : 694 : 2010, IS: 8130 : 2013 and IS : 5831: 1984 Standards
- Low Smoke Emission & Low Halogen Content
- Product Range :
Class -2 - upto 630 sqmm
Class -5 - upto 300 sqmm

Heat Resistant

High Electrical Safety

Durable & Flexible

Wide Application

Flame Retardant & Fire Safe

About Company

V-MARC India Ltd. a prominent player in the high-quality innovative wires & cables manufacturing industry, has steadily risen to prominence with its unwavering commitment to excellence and innovation for safety and reliability

Inception and Early Growth

Founded in 2006, V-MARC India Ltd. began its Journey with the production of house wiring cables. The company quickly established itself as a trusted name in the industry, thanks to its dedication to superior quality, optimal pricing, and consistent on-time deliveries- This foundation of trust led to a rapid increase in demand for V-MARC India Ltd. products.

Expansion and Diversification

V-MARC India Ltd- took a significant step forward by setting up its manufacturing facility at SIDCUL Haridwar The company continued to diversify its product offerings, introducing LT PVC and XLPE cables in 2009- This diversification was a testament to V-Marc India Ltd- commitment to meeting evolving market demands.

Technological Advancements

The year 2012 marked another milestone with the establishment of a new plant for the production of LT Aerial Bunched Cables- This expansion highlighted the dedication for innovation and technological advancement ensuring a broader and more advanced product range

Corporate Evolution

In 2014, the company was incorporated as Asian Galaxy Pvt Ltd, reflecting its growing corporate stature and enhanced market presence. By 2017, V-MARC India Ltd. had further expanded its manufacturing capabilities with the addition of a factory dedicated to producing high-tension cables up to 11 KV

Public Offering and Continued Growth

April 2021 was a landmark year for V-MARC India Ltd., as the company launched its Initial Public Offering (IPO) and transitioned into a public limited company This move underscored V-MARC India Ltd. growth trajectory and its readiness to embrace new opportunities in the market.

Our Product Range

Building Wire

Flexi-Tuf Submersible Cable

HT/LT Cables

Solar Solutions

MVCC & Accessories

Light Duty Cables

HTLS Conductor

Data Center Cables

Railway Cables

Fan

Switchgears

Switches

Our Presence

25 States & UTs
850+ Employees
20+ Years of Operation

Registered Office :

V-MARC INDIA LIMITED
